

About product

Platform with the possibility of **hydraulic lowering** of the transport surface for loading, for example, motorcycles with a very **low angle of overrun**. Possibility to mount **up to 3 mechanical wheel blockers** giving additional safety during transport.

Technical data

Gvwr	750 kg, 725 kg, 700 kg, 675 kg, 650 kg, 625 kg, 600 kg, 575 kg, 550 kg, 525 kg, 500 kg, 499 kg, 450 kg, 400 kg, 350 kg, 300 kg
Series	Quad
Function of trailer	Motorbike transport, Quad transport
Weight (kg)	265
Load capacity (kg)	485
External length	3680
Internal length (mm)	2460
External width (mm)	2155
Internal width (mm)	1600
Overall height (mm)	690
Sides material	Not applicable
Brake	B
tilted	Yes
Frame type	Bolted
Frame material	Steel
EAN	2010000345863
SKU	L10VZ.075.263.170.0017_KSNE_A4
